

Certificate

Conformity based on the quality assurance of the production process
– Module D – according 2014/68/EU

1231

PED-MOD-D-2420-C-671

Description of the production process

The quality system has been audited, sampled, verified and approved for the range of products listed on this certificate. Findings are reported in the report linked to this certificate under file 2420-C-671

Range of products (Bd Certificates)

PM HT TANKS 200kV / 300kV – acc. Module D product range report – page 2/2

Audit report number

2420-C-671-027

Remark(s)

None

Name and address of manufacturer

Kin Machinebouw B.V.
Stedenbaan 15
5121 DP, Rijen
The Netherlands

Place of manufacture

Kin Machinebouw B.V.
Stedenbaan 15
5121 DP, Rijen
The Netherlands

Conformity

Notified Body 1231 for Pressure Equipment hereby certify that the manufacturer has established a quality system for the manufacturing of pressure equipment according to directive 2014/68/EU. The manufacturer is entitled to mark the pressure equipment produced within the range of the quality system with the above stated mark.

Period of validity

This certificate remains valid from 06-11-2024 until 06-11-2027 as long as neither the range of pressured equipment and approved quality system are modified significantly or validity is suspended or withdrawn by the notified body and at least once per year is audited. The validity of this certificate can be verified at <https://www.tuv.nl>. Changes that can affect the validity of the certificate shall be submitted to TÜV as obligation by the manufacturer in writing.
